6. What are some of the key terms and conditions that I should be aware of?

- Average Clause will apply if vehicle is under insured for more/ less than 10% of the market value at the time of loss. Therefore, it is important that you must ensure that your vehicle is insured at adequate market value to avoid under or over insurance.
- The excess, that is the amount of loss you have to bear if your vehicle is driven by a person not named in your policy: RM400.00.
- Betterment will apply when in the course of repairing an accident-damaged vehicle (age of vehicle is five years and above), and old part is replaced with a new franchise part. You will have to bear the difference in cost (depending on the age of your vehicle) as your repaired vehicle is in a better condition than it was before the accident.

7. Importance of disclosure that I should be aware of?

• Consumer Insurance Contract

Where you have applied for this insurance wholly for purposes unrelated to your trade, business or profession, you had a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when you applied for this insurance) i.e. you should have answered the questions fully and accurately. Failure to have taken reasonable care in answering the questions may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance in accordance with Schedule 9 of the Financial Services Act 2013. You were also required to disclose any other matter that you knew to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

• Non-Consumer Insurance Contract

Where you have applied for this insurance for purposes related to your trade, business or profession, you had a duty to disclose any matter that you know to be relevant to our decision in accepting the risks and determining the rates and terms to be applied, and any matter a reasonable person in the circumstances could be expected to know to be relevant, otherwise it may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of term(s) or termination of your contract of insurance.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

8. At what value should I insure my vehicle?

You need to insure your vehicle based on the market value of your vehicle at the point you apply for the motor insurance policy. This value is also called Sum Insured of your vehicle in your motor policy.

9. What will happen if I under insure my vehicle?

You will be deemed as self-insured for the difference, i.e. in the event of loss or damage, you will be partially compensated (up to the proportion of insurance) by us.

10. What will happen if I over insure my vehicle?

If you insure your vehicle at a higher sum insured than market value, the maximum compensation you will receive is the market value of the vehicle, as you cannot "profit" from a motor insurance claim.

11. Why must I choose your recommended market value as the policy sum insured?

An approved Market Valuation System is currently used as a guide to recommend your vehicle's sum insured during purchase of motor insurance.

- If you choose to insure your vehicle based on "Agree Value" term, this means the recommended value will be the sum insured for the vehicle. In the event you make a theft/total loss claim, your claim settlement will be based on this recommended sum insured for "Agree Value" term.
- If you choose for "Market Value" term, this means the market value will be the sum insured for the vehicle. In the event you make a theft/total loss claim, your claim settlement will be based on your vehicle's market value at time of claim or the recommended Sum Insured as shown in the schedule, whichever is lesser will be our claim settlement offer.

12. What are the major exclusions under this policy?

This policy does not cover certain losses, such as:
