could be penalised for under-insurance. Assuming the loss is assessed at you could be penalised if your motorcycle is under-insured (see Section A2e 'Under-Insurance' in page 8).

The amount that you choose to insure is called the sum insured. Please note that terms, this is the current cost to replace your motorcycle with another motorcycle of the same make, model, age and general condition. To be safe, you should insure your motorcycle at its current market value (see definition in page 19).

How much should you insure your motorcycle for?

If your motorcycle is involved in an accident where someone is injured or killed, you may be legally liable. To protect against this, you will need to purchase Endorsement 108 (see pages 22 to 23), which provides a limited cover for your liability for death or bodily injury of pillion.

This insurance you have purchased only covers you in Malaysia, the Republic of Singapore and Negara Brunei Darussalam in accordance to the laws of Malaysia. Additionally, note that if you intend to ride your motorcycle into the Republic of Singapore, you are required by the Republic of Singapore’s law to have Endorsement 204, ‘Liability to Pillion’. Since LLP is not covered by the basic Motorcycle Policy, you will need to purchase Endorsement 108 (see pages 22 to 23), which provides a limited cover for your liability for death or bodily injury of pillion.

This insurance is effective from the time of purchase of cover or at the agreed time of commencement, until any sum(s) paid and any expenses incurred from you or your authorised rider.

This depends on whether you have purchased the ‘Single Rider’ or the ‘All-Riders’ cover. The ‘Single Rider’ only covers one rider who is named in the policy. The person named is usually the owner of the motorcycle. The problem with the ‘Single Rider’ cover is that the policy will not cover if an accident happens while the motorcycle is being used by someone other than the insured named rider. As such, most customers prefer the ‘All-Riders’ cover as lending motorcycles to friends and relatives is quite commonly practised in Malaysia.

Who can ride your motorcycle?

• has a valid licence of the relevant class to ride and is not disqualified to ride by law or for some other reason {see exclusion on Unlicensed Riders in Section E – ‘General Exception 1’ (page 14)};
• complies with all the terms and conditions of this policy.
• has your permission to ride (see definition of Authorised Rider in page 18); and
• is qualified to ride if you or your authorised rider is not.

Who cannot ride your motorcycle?

• for death or bodily injury of pillion.
• for rental, hire and reward.
• to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test;
• for limited work or business related transport such as getting to and from work and for attending business meetings.
• risks that are against public policy or against the law; and
• Section B1b – see ‘What is Not Covered’ (page 9)

This insurance is for use in the territories in which you are covered. For a list of the territories in which your insurance is covered, please refer to the Certificate of Insurance issued by us. Notice of any change to these dates, it will be officially shown in an Endorsement issued by us.

EXPLANATORY NOTES

How to read this document

Please note that your Motorcycle Policy only starts from page 6 onwards. To help you read and understand your policy better we provide some explanatory notes together with comments and examples (written in italic). These are not meant to be part of your policy and should not be used to interpret your insurance contract in the event of any dispute.

Words in bold

You will notice that some words in the policy are printed in bold letters. This is because they have been given specific meaning in your Motorcycle Policy. Please refer to Section G on pages 17 to 20 for the meaning of these words.

What makes up your insurance contract?

Your insurance contract with us is made up of the following:

- insurance policy in pages 6 to 23 (excluding the italic texts);
- the information you provided us when you applied for this insurance;
- the Schedule;
- the Endorsements attached to the policy; and
- the Certificate of Insurance (CI).

All these must be read together as they form your insurance contract.

Duty of Disclosure

A. Consumer Insurance Contract

Where you have applied for this insurance wholly for purposes unrelated to your trade, business or profession, you had a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when you applied for this insurance) e.g. you should have answered the questions fully and accurately. Failure to have taken reasonable care in answering the questions may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance in accordance with Schedule 9 of the Financial Services Act 2013.

You were also required to disclose any other matter that you knew to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

B. Non-Consumer Insurance Contract

Where you have applied for this insurance for purposes related to your trade, business or profession, you had a duty to disclose any matter that you know to be relevant to our decision in accepting the risks and determining the rates and terms to be applied, and any matter a reasonable person in the circumstances could be expected to know to be relevant; otherwise, it may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

If you misrepresented any facts to us before the policy is entered into, examples of the actions that may be taken by us against you include the following:

- declare your policy void from inception (which means treating it as invalid), and we may not return any premium;
- cancel this policy and return any premium less our cancellation charge or recover any unpaid premium;
- recover any shortfall in premium;
- not pay any claim that has been or will be made under the policy; or
- be entitled to recover from you the total amount of any claim already paid under the policy or any claim we have to pay because of any relevant road traffic legislation, plus any recovery cost.
What is covered?

Your insurance does not cover you against everything that can happen to your motorcycle. The main types of cover are:

What this policy does not cover?

These are referred to as ‘Exceptions’ in your policy and there are three sections where you can find them:

- Section A1b – see ‘Events We Do Not Cover’ (page 7)
- Section B1b – see ‘What is Not Covered’ (page 9)
- Section E – see ‘General Exceptions’ (pages 14 to 15)

There are generally three reasons why we put these exceptions in your basic Motorcycle Policy:

1. Cover is not provided for the exceptions. We have to charge additional premium if you want to cover any of these exceptions. Some examples of the exceptions which are not covered by your basic Motorcycle Policy but which can be covered if you pay additional premium are:
   - flood, storm (see Section A1b – ‘Events We Do Not Cover’ (page 7));
   - strike, riot, civil commotion (see Section E – ‘General Exception 8b’ (page 14)); and
   - use outside Malaysia, the Republic of Singapore or Negara Brunei Darussalam (see Section E – ‘General Exception 6’ (page 14)).

2. There are other risks which are not covered by the basic Motorcycle Policy or by any of its extensions. We would have to issue a different policy if you want these types of cover. For example, carriage of goods are not covered by your Private Motorcycle Policy but can be covered under a Commercial Motorcycle Policy.

3. We cannot and do not cover certain risks at all. Some examples of these can be seen in Section E – ‘General Exceptions’ (pages 14 to 15) such as:
   - war, nuclear fission or fusion;
   - risks that are against public policy or against the law; and
   - drunk riding.

Your Motorcycle Policy type is categorised by its permitted use – Make sure that you have bought the correct policy type for your motorcycle or you may have no cover.

Each type of Motorcycle Policy covers a specific usage of the vehicle. If you have bought the wrong Motorcycle Policy type, you may find that you actually have no insurance cover at all. The type of Motorcycle Policy is stated in the Certificate of Insurance under the heading ‘Limitations as to Use’. Users for whom you have bought cover are named under the heading ‘Persons or Classes of Persons Entitled to Drive’.

The following are standard types of Motorcycle Policies:

i. Private Use
   - A Motorcycle Policy for Private Use covers you if your motorcycle is used for “social, domestic and pleasure purposes and for the policyholder’s business”. The following are some examples of these personal situations for which your insurance policy will provide you cover:
     - to visit relatives and friends, go shopping etc.;
     - giving lifts where no fee will be charged or paid; and
     - limited work or business related transport such as getting to and from work and for attending business meetings.

   A Motorcycle Policy for Commercial Use must be bought if the motorcycle is meant or intended to ferry any goods in connection with any trade or business.

   VERY IMPORTANT NOTE: Unless your Policy is specifically extended for this purpose, you will have no insurance cover if you use your motorcycle in the following manner:
     - to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test;
     - use on any racetrack; and
     - for rental, hire and reward.

Who can ride your motorcycle?

- This depends on whether you have purchased the ‘Single Rider’ or the ‘All-Riders’ cover. The ‘Single Rider’ only covers one rider who is named in the policy. The person named is usually the owner of the motorcycle. The problem with the ‘Single Rider’ cover is that the policy will not cover if an accident happens while the motorcycle is being used by someone other than the insured named rider. As such, most customers prefer the ‘All-Riders’ cover as lending motorcycles to friends and relatives is quite commonly practised in Malaysia.

   - With the ‘All-Riders’ cover practically anyone can ride your motorcycle as long as the rider:
     - has a valid licence of the relevant class to ride and is not disqualified to ride by law or for some other reason (see exclusion on Unlicensed Riders in Section E – ‘General Exception 1’ (page 14));
• has your permission to ride (see definition of Authorised Rider in page 18); and
• complies with all the terms and conditions of this policy.
• Note that for either cover, if you or your authorised rider is not qualified to ride or breaches any of the
terms and conditions, your claim may be rejected. If we are compelled by law to pay, we can recover
any sum(s) paid and any expenses incurred from you or your authorised rider.

In which territory is your motorcycle covered?
This insurance you have purchased only covers you in Malaysia, the Republic of Singapore and Negara
Brunei Darussalam in accordance to the laws of Malaysia. Additionally, note that if you intend to ride your
motorcycle into the Republic of Singapore, you are required by the Republic of Singapore’s law to have
cover against Legal Liability to Pillion (LLP). Since LLP is not covered by the basic Motorcycle Policy, you
will need to purchase Endorsement 108 (see pages 22 to 23), which provides a limited cover for your liability
for death or bodily injury of pillion.

When is your cover effective?
This insurance is effective from the time of purchase of cover or at the agreed time of commencement, until
the expiry date. The period of insurance will be printed in the Policy Schedule and related documents. If there
is any change to these dates, it will be officially shown in an Endorsement issued by us.

How much should you insure your motorcycle for?
To be safe, you should insure your motorcycle at its current market value (see definition in page 19). In simple
terms, this is the current cost to replace your motorcycle with another motorcycle of the same make, model,
age and general condition. The amount that you choose to insure is called the sum insured. Please note that
you could be penalised if your motorcycle is under-insured (see Section A2e ‘Under-Insurance’ in page 8).

For example, if the market value of your motorcycle is RM10,000 but you only insured it for RM8,000 then you
could be penalised for under-insurance. Assuming the loss is assessed at RM3,000, instead of we paying the
full amount, you could be made to bear a portion of the loss in proportion to the under-insurance as follows:

\[
\frac{\text{Sum Insured}}{\text{Market Value}} \times \text{Loss} = \frac{\text{RM8,000}}{\text{RM10,000}} \times \text{RM3,000} = \text{RM2,400}
\]

Therefore we will pay RM2,400 while the balance of RM600 will be borne by you.

You would be penalised as shown above if the market value of your motorcycle exceeds the sum insured by
10%. On the other hand, it would be a waste of money to over-insure as your insurer would not pay more than
the market value. One way to protect yourself from being under-insured or over-insured is to opt for the sum
insured determined by a market valuation system approved by Persatuan Insurans Am Malaysia (PIAM).

What is No Claim Discount (“NCD”)?
This is a form of premium discount for not having made a claim during the preceding period of your
insurance (provided the period of insurance exceeds one year). The scale of NCD applied is specifically
mentioned in the policy.

The applicable NCD can be checked with us or the Central NCD Database (“CND”) at
https://www.mycarinfo.com.my/ncdcheck/online before the purchase of your Motorcycle Policy.

What is an Excess?
This is the first amount that you have to bear yourself for each and every claim that we approve, even if
the incident is not your fault. However, please note that the excess does not apply to loss or damage
caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily
injury claims. Please check your Policy Schedule to find out the amount that you are liable to pay. This is
referred to as Compulsory Excess (see page 8) in your policy.

As an example, if we assess the claim payable to be RM3,000 but your policy carries an excess of
RM200, you will have to bear the first RM200 yourself and we will pay the balance of RM2,800.
**Do’s and Don’ts – after you have had an accident or theft**

**Do:**
- Call Accident Assist Call Centre (AACC) 24-hour nationwide insurance road accident Helpline number 1-300-22-1188 or 15-500 for immediate road assistance or tow service in the event of a road accident, or to make an enquiry on claims procedure;
- inform us as soon as possible about any incident which may give rise to a claim;
- report all accidents to the police within 24 hours as required by law;
- submit immediately to us all letters, claims, writs and summons which you have received from third parties as a result of the incident;
- remove your motorcycle to your insurer’s approved panel repairer for repairs; and
- fully fill in the relevant sections of your claim form – do not put “refer to police report”.

**Don’t:**
- negotiate, admit or repudiate any claim without our consent (see Condition 2 in page 16); and
- authorise repair without our consent (see Condition 2f in page 16).

Condition 2 of your policy (see page 16) spells out the do’s and the don’ts after an accident or theft in more detail.
Our Agreement with You

A. Where Your Motorcycle is used for any purpose that is not related to Your trade, business or profession, the following applies:

Consumer Insurance Contract
This Policy is issued in consideration of the payment of premium as specified in the Policy Schedule and pursuant to the answers given in Your Proposal Form (or when You applied for this insurance) and any other disclosures made by You between the time of submission of Your Proposal Form (or when You applied for this insurance) and the time this contract is entered into. The answers and any other disclosures given by You shall form part of this contract of insurance between You and Us. However, in the event of any pre-contractual misrepresentation made in relation to Your answers or in any disclosures given by You, only the remedies in Schedule 9 of the Financial Services Act 2013 will apply. This Policy reflects the terms and conditions of the contract of insurance as agreed between You and Us.

B. Where Your Motorcycle is used for purposes related to Your trade, business or profession, the following applies:

Non-Consumer Insurance Contract
This Policy is issued in consideration of the payment of premium as specified in the Policy Schedule and pursuant to the answers given in Your Proposal Form (or when You applied for this insurance) and any other disclosures made by You between the time of submission of Your Proposal Form (or when You applied for this insurance) and the time this contract is entered into. The answers and any other disclosures given by You shall form part of this contract of insurance between You and Us. In the event of any pre-contractual misrepresentation made in relation to Your answers or in any disclosures made by You, it may result in avoidance of Your contract of insurance, refusal or reduction of Your claim(s), change of terms or termination of Your contract of insurance.

This Policy reflects the terms and conditions of the contract of insurance as agreed between You and Us.

Section A: Loss or Damage to Your Own Motorcycle

This section spells out what We cover under Section A.

   d. across the sea by ferry or ship or any sea-faring vessels etc. between the island of Penang and the mainland only.

For an additional premium, Your Policy can be extended to cover for ferry transit between Sabah and Labuan (Endorsement 109).
1b: Events We Do Not Cover

The events We do not cover are the exceptions listed below. These exceptions are specific to Section A and are in addition to exceptions listed in Section E and the applicable Endorsements.

We will not pay for the following losses:

(i)  **Consequential Losses**

Any direct or indirect losses of any kind that may arise as a consequence of any Incident other than that provided for in Section A2.

(ii)  **Loss of Use**

Any expense or financial loss that You may incur because You cannot use Your Motorcycle e.g. cost of hiring replacement motorcycle, travelling expenses etc.

(iii)  **Depreciation**

The loss of value of Your Motorcycle due to the damage sustained or the time taken to repair the Motorcycle, and/or for any loss or damage that results over a prolonged period of time due to wear and tear, rust and corrosion.

(iv)  **Theft of Accessories and Parts**

Loss or damage to accessories (or any part thereof) and/or loss of or damage to any part(s) of Your Motorcycle caused by theft unless Your Motorcycle is stolen at the same time.

(v)  **Breakdown or Malfunction of Parts**

Any mechanical, electrical or electronic breakdown, equipment or computer malfunction, or any other failure or breakdown to Your Motorcycle.

(vi)  **Damage to Tyre(s)**

Any damage to the tyre(s) of Your Motorcycle unless other parts of Your Motorcycle are also damaged at the same time.

(vii)  **Convolutions of Nature**

Any loss or damage to Your Motorcycle caused by flood, typhoon, hurricane, storm, tempest, volcanic eruption, earthquake, landslide, landslip, subsidence or sinking of the soil/earth or other convulsions of nature.

(viii)  **Excess**

(ix)  **Loss of Electronic Data**

Loss of electronic data and any consequences arising from it, directly or indirectly caused by or in connection with a computer virus. This includes loss of use, reduced functionality, or any other associated loss or expense in connection with the electronic data.

(x)  **Cheating or Criminal Breach of Trust**

Any loss or damage, including theft, caused by or attributed to the act of Cheating or Criminal Breach of Trust by any person.

2: Basis of Settlement

This section explains how We will settle Your claim once We accept that it is payable under Section A. If Your Motorcycle is damaged as a result of any Incident, We have the option of doing the following:

a.  **If Your Motorcycle is Reparable**

If in Our opinion Your Motorcycle is economical to repair, We have the option to:

- arrange for Your Motorcycle to be repaired at Our approved Repairer and pay the cost of repairing Your Motorcycle to the condition which is as near as possible to the condition it was in before the loss happened;
- pay You in cash the amount We estimate it would cost to repair Your Motorcycle; or
- reinstate or replace Your Motorcycle with one of the same make, model, age and general condition.

b.  **If Your Motorcycle is not Reparable**

If in Our opinion, the damage to Your Motorcycle is so great that it would not be safe or economical to repair, We will declare Your Motorcycle “Beyond Economic Repair” ("BER") and We will pay You up to the maximum amount as stated in (d) below or offer You a settlement sum equivalent to the Market Value. We may also opt to replace Your Motorcycle with one of the same make, model, age and general condition. If We take any of these actions, this Policy shall be automatically terminated once We make payment.

In cases where the valuation of the franchise-holder varies from Market Value by more than 10%, We would also have the option to offer a settlement value which is equal to the cost of purchasing a replacement motorcycle of the same make, model and age of the Motorcycle at the time of loss. It is Our option to offer You a replacement of the Motorcycle, should You not agree with the offer.

c.  **Replacement Parts**

If the spare parts or Accessories required to repair Your Motorcycle are not available in Malaysia, or if We choose to pay for the loss or damage in cash, We will settle Your claim on the following basis:

- the last known parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, We will use the price at the manufacturer’s production plant and include reasonable cost of transportation to Malaysia (but not the cost of air freight); and
- the reasonable labour cost of fitting such spare parts or Accessories in Malaysia.
d. **The Maximum Amount We will Pay You**

If Your Motorcycle is BER or stolen and not recovered, the amount payable under the Policy will be the Market Value at the time of the loss or the Sum Insured as shown in the Schedule, whichever sum is the lesser. Upon Our payment of the said amount, this Policy shall be automatically terminated. The Market Value is to be determined according to clauses 17 and 18 of Section G.

e. **Under-Insurance**

If the Sum Insured of Your Motorcycle is less than the Market Value at the time of the loss, We will only bear part of the loss in proportion to the difference between the Market Value and the Sum Insured as shown in the formula below:

\[
\text{Sum Insured} \times \frac{\text{Assessed Loss}}{\text{Market Value}}
\]

The balance has to be borne by You. However, this will only apply if the under-insured amount is more than 10% of the Market Value.

f. **Betterment**

If new original parts are used to repair Your Motorcycle and as a result of which Your Motorcycle is in a better condition than it was before the damage, You would be required to contribute to its betterment, a proportion of the costs of such new original parts. Your contribution would be according to the following scale:

<table>
<thead>
<tr>
<th>Age of Your Motorcycle (Years)</th>
<th>Rate of Betterment</th>
</tr>
</thead>
<tbody>
<tr>
<td>less than 5</td>
<td>0</td>

<tr>

<td>35%</td>
</tr>
<tr>

To determine the rate of betterment to be applied, the age of Your Motorcycle will be calculated based on when it was originally registered in Malaysia:

- a. as a locally assembled motorcycle
- b. as a new imported Completely Built Unit (CBU) motorcycle
- c. as an imported second-hand / used / reconditioned motorcycle

3: **Towing Costs**

If Your Motorcycle cannot be ridden as a result of any damage to it that is covered by this Policy, We will pay up to a maximum of RM50 for the necessary and reasonable costs to remove Your Motorcycle to the nearest approved Repairer or to a safe place of storage while awaiting repair or disposal.
Section B: Liability to Third Parties

This section explains what is covered and not covered under Section B.

1a: What is Covered?

We will indemnify You and/or Your Authorised Rider for the amount which You and/or Your Authorised Rider are legally liable to pay any third party (including third party’s costs and expenses) for:

(i) death or bodily injury to any person except those specifically excluded under this Policy; and/or
(ii) damage to property except those specifically excluded under this Policy

as a result of an Incident arising out of the use of Your Motorcycle on a Road. This cover is extended to Your Authorised Rider provided Your Authorised Rider also complies with all the terms and conditions of this Policy.

1b: What is Not Covered?

These exceptions are specific to Section B and are in addition to the exceptions stated in Section E of this Policy and any other applicable Endorsements. We will not pay for:

(i) death or bodily injury to any Pillion being carried for hire or reward;
(ii) death or bodily injury to any person where such death or injury arises out of and in the course of the employment of such person by You or by Your Authorised Rider;

Under the Road Transport Act 1987, this Policy shall not be required to cover, except in the case of a motor vehicle in which passengers are carried for hire or reward or by reason of or in pursuance of a contract of employment, liability in respect of death or bodily injury to persons being carried in or upon or entering or getting onto or alighting from the motor vehicle at the time of the occurrence of the event out of which the claims arise.

In the course of employment – Any person who is injured/dies (whether as Pillion or otherwise) while on the job and is on the said Motorcycle as part of his/her employment e.g. mechanic.

(iv) liability to any person being carried upon or getting onto or alighting from Your Motorcycle unless he/she is required to be carried on Your Motorcycle by reason of or in pursuance of his/her contract of employment with You or Your Authorised Rider and/or his/her employer;

In pursuance of the contract of employment – The Pillion is required to be carried to a destination in order to carry out the job as spelt out in his/her contract of employment.

Liability to Pillion other than:

a) Pillion carried for hire or reward;
b) employees in the course of employment; or
c) Your or Your Authorised Rider’s Household member unless he/she is required to be carried on Your Motorcycle by reason of or in pursuance to a contract of employment;

may be insured separately for additional premium under Endorsement 108. If You have insured such liability, You will need to refer to the full text of Endorsement 108: Legal Liability to Pillion as to what this Endorsement covers or excludes and the applicable conditions.

(v) liability caused by a Pillion travelling on or alighting from Your Motorcycle;

(vi) any claims brought against You by any rider of Your Motorcycle, whether authorised or not;

(vii) death or bodily injury to any person or damage to property caused or arising outside the limits of any carriageway or thoroughfare in connection with the loading onto and unloading from Your Motorcycle;

(ix) all legal costs and expenses which are not incurred in or recoverable in Malaysia, the Republic of Singapore and Negara Brunei Darussalam.

2: Limits of Our Liability

We will pay the following for any one claim, or series of claims arising from one Incident, in any one Period of Insurance:

(i) unlimited amount for death or bodily injury to third party; and/or
(ii) up to a maximum of RM3 million for third party property damage.

3: Cover for Legal Personal Representatives

Following the death of any person covered under this Policy, We will indemnify that person’s legal representatives for liability covered under this section, provided such legal representatives comply with all the terms and conditions of the Policy.
4: Legal Costs

If You or Your Authorised Rider is charged for reckless and dangerous riding or careless or inconsiderate riding under the Road Transport Act 1987 or any other offence related to the said Incident, We will pay legal costs incurred up to a maximum of RM2,000 to defend You or Your Authorised Rider provided always that such costs are incurred in Malaysia, the Republic of Singapore or Negara Brunei Darussalam, and that cost has been incurred with Our prior agreement in writing.

We will only pay for legal cost and We will not pay for any penalty imposed on You or Your Authorised Rider.

5: Rights of Recovery

We have a right to refuse to indemnify You or Your Authorised Rider if either of You commit a breach of any Policy conditions or where the claim falls outside the scope of cover provided by Us under this Policy. However, if We are legally required to pay any judgment sum in respect of a claim under Section B of this Policy because of laws in force in Malaysia, the Republic of Singapore or Negara Brunei Darussalam, which We would otherwise not have to pay, We have the right to ask You or Your Authorised Rider to repay to Us the amount of that payment and any costs We have incurred in connection with the claim.

Section C: No Claim Discount

This section spells out the reward system known as the “No Claim Discount”.

1. No Claim Discount (NCD)

If You have insured Your Motorcycle for a continuous period of 12 months and You or anyone else did not make any claim under this Policy during that time, a NCD will be applied at each renewal. The applicable NCD will increase with each renewal if You continue to have claim free years as follows:

<table>
<thead>
<tr>
<th>Claim Free Year of Insurance</th>
<th>NCD Entitlement</th>
</tr>
</thead>
<tbody>
<tr>
<td>After 1 continuous claim free year</td>
<td>15%</td>
</tr>
<tr>
<td>After 2 continuous claim free years</td>
<td>20%</td>
</tr>
<tr>
<td>After 3 continuous claim free years and beyond</td>
<td>25%</td>
</tr>
</tbody>
</table>

2. One Claim and Your NCD is Down to Zero

If You or anybody else meets with an Incident which will give rise to a claim on this Policy, the NCD entitlement that You have accumulated would drop to zero at the next renewal and Your NCD will start all over again. If a claim is received after the NCD has been applied, We shall be entitled to recover the NCD given from You.

3. Exception to this Rule

Your NCD will not be affected even if a claim is made if:
- We are of the opinion that You are not at fault for causing the loss;
- the offending vehicle is identifiable and is not a vehicle used for carriage of passengers for hire or reward (for example taxis, hire cars, public buses, stage buses, school buses and factory buses for hire);
- the offending vehicle is insured by a Malaysian licensed insurer; and
- there is no death or personal injury claim involved.

4. Your NCD is not Transferable

The NCD is personal to You which means that if You were to sell Your Motorcycle and We agree to transfer this Policy to the new owner, Your NCD cannot be transferred for the benefit of the new owner.

5. Non-utilisation of NCD

For every year that the NCD is not utilised by You, the NCD accumulated and applicable for this Policy will be reversed in accordance with the scale set out in the table in clause C1 above.

Section F: Conditions – These apply to the whole Policy

This section spells out the terms and conditions that You must observe to ensure this insurance remains effective. Basically these conditions are of three types:

- What You must do
- What You must not do
- What We can do

Conditions Precedent to Policy Liability

The following conditions are conditions precedent to Our liability to indemnify You under this Policy and have to be observed by You strictly. We can repudiate this Policy and/or will not pay claims under the Policy if You breach any of the relevant conditions. These conditions also apply to Your Authorised Rider and any legal representative who seek indemnity under this Policy.

1. Duty of Disclosure

The duty of disclosure is different for a Consumer Insurance Contract and for a Non-Consumer Insurance Contract. They are separately outlined below:

A. Consumer Insurance Contract

Where You have applied for this insurance wholly for purposes unrelated to Your trade, business or profession, You had a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when You applied for this insurance) e.g. You should have answered the questions fully and accurately. Failure to have taken reasonable care in answering the questions may result in avoidance of Your contract of insurance, refusal or reduction of Your claim(s), change of terms or termination of Your contract of insurance in accordance with Schedule 9 of the Financial Services Act 2013. You were also required to disclose any other matter that You knew to be relevant to Our decision in accepting the risks and determining the rates and terms to be applied. You also have a duty to tell Us immediately if at any time after Your contract of insurance has been entered into, varied or renewed with Us, any of the information given in the Proposal Form (or when You applied for this insurance) is inaccurate or has changed.

B. Non-Consumer Insurance Contract

Where You have applied for this insurance for purposes related to Your trade, business or profession, You had a duty to disclose any matter that You know to be relevant to Our decision in accepting the risks and determining the rates and terms to be applied, and any matter a reasonable person in the circumstances could be expected to know to be relevant; otherwise, it may result in avoidance of Your contract of insurance, refusal or reduction of Your claim(s), change of terms or termination of Your contract of insurance. You also have a duty to tell Us immediately if at any time after Your contract of insurance has been entered into, varied or renewed with Us, any of the information given in the Proposal Form (or when You applied for this insurance) is inaccurate or has changed.
2. Accidents and Claims Procedures

If Your Motorcycle is involved in any Incident that could lead to a claim under this Policy, You must do the following:

a. Notify Our claims department of the Incident and get a Claim Form. You must notify Us of the Incident as soon as possible but in any event:
   • Within seven (7) days if You are not physically disabled or hospitalised following the Incident; or
   • Within thirty (30) days or as soon as practicable if You are physically disabled and hospitalised as a result of the Incident.

   We may allow a longer notification period if You can provide specific proof and justification for the delay.

b. Report the Incident to the police as required by law and do all that is required to assist the police authorities to secure a conviction against the offender.

c. Complete the Claim Form in full and return it to Us within twenty-one (21) days from the date of Your notification as per (a) above. You are required to answer all the questions in detail in all applicable sections and provide Us with all the necessary documents to support Your claim. We will not be held responsible if there is any delay on Your part to submit the Claim Form duly completed together with all the necessary documents.

   A longer claims submission period may be allowed by Us subject to specific proof and justification by You for the delay.

d. If there are any claims made against You by a third party, You must immediately notify Us of the same and You must send to Us any notification of claim, notice of impending prosecution or inquest, summons, writ or any letters from the solicitors of the third party as soon as You receive such documents, but in any event within fourteen (14) days from the date of receipt of any of the documents.

e. Send Your Motorcycle to any of Our approved Repairers so that We can inspect Your Motorcycle before We give approval to proceed with repairs or take reasonable action to safeguard Your Motorcycle from further loss or damage. We can refuse to pay any claim under Section A of this Policy if You breach this condition.

f. You must obtain Our consent in writing before You repair Your Motorcycle or incur any expenses in connection with a claim under this Policy.

   You must not do any of the following:
   • Admit any responsibility for any Incident; or
   • Negotiate or settle any claims made against You by a third party, unless We write and inform You that You can.

   We will decide whether to negotiate, defend or settle, in Your name, Your Authorised Rider’s name and/or on Your behalf, any claims made against You or Your Authorised Rider by a third party. If in Our assessment the third party claim made against You or Your Authorised Rider for property damage will exceed the limit of liability of RM3 million, We will pay the full amount of Our liability to You or the third party and hand over the further conduct of any defence, settlement or proceeding to You completely. After doing so We will not be liable under this Policy to make any more payments to You or any claimant or any other person arising from the same Incident.

   The conditions above also apply to anyone else who wishes to claim under the terms and conditions of this Policy. “Anyone else” may refer to personal representative or administrator/estate of the policyholder.

3. Cancellation

Either You or We may cancel this Policy at any time during the Period of Insurance.

a. Cancellation by You:
   • You can cancel this Policy at any time by returning the Certificate of Insurance (CI) to Us or, if the CI has been lost or destroyed, You must provide Us with a duly certified Statutory Declaration (SD) to confirm this.

There will not be any refund of premium for any cancellation of Policy (either by You or by Us) if You have paid the Minimum Premium only or if a claim has been made on this Policy.

4. If There is More Than One Insurance Covering the Same Motorcycle
a. You must inform Us in writing if You have taken out any other insurance in respect of Your Motorcycle during the Period of Insurance.

b. If a claim arises under this Policy and such a loss is also claimable under the other insurance policy(ies) taken by You, We will only contribute Our rateable proportion of the whole loss. We will not be liable to pay the claim first and then seek recovery from the other co-insurer(s) who is/are also liable for the loss.

5. Subrogation
We are entitled to take over all rights and remedies that You may have against any third party who caused the loss. We shall have the absolute discretion in the conduct of any proceedings, at Our own costs, against the third party and in the settlement of any such claim and You shall give Us such information and assistance as We may require from time to time including assigning all rights to take action in Your name.
