

Comprehensive isn't complete without Special Perils Coverage

What is covered?

Floods, Storms, Landslides, Natural Disasters.

Why it matters?

Rising weather risks and flash flood are more common than ever.

Add Special Perils Motor coverage to stay protected against nature's unpredictable events. It is a small step that can save you.

Don't wait for it to happen, act before it does

Call our hotline and press #2 for sales enquiries.
